

Curtis Creek School District COVID-19 Prevention Plan

Terri Bell, Superintendent is responsible for implementing the plan

- Risk assessment measures

1. Campus closed...essential workers only
2. Symptom screening for COVID-19 for anyone entering and staying on campus
 - *stop at the District Office for screening before proceeding anywhere on campus
 - *temperature check
 - *questionnaire regarding personal health conditions and exposure possibilities
 - *social distancing, masking, and hand sanitizing
3. Signage posted on campus...CDC signage
 - *slow the spread, symptoms, stop the spread of germs, and how to protect yourself

- All staff will be trained in how to prevent the spread of the virus.

1. Get Safety Trained COVID-19 training required by all employees
2. CDC guidelines shared/signage posted throughout the campus
 - *Physical distancing...stay 6 feet apart from others
 - *Wear a cloth face covering to protect others
 - *Wash your hands often, use hand sanitizer when washing hands isn't available
 - *Do not touch your eyes, nose and mouth
 - *Clean frequently touched objects
 - *Cover your coughs and sneezes
 - *Stay at home if you are sick
3. Weekly Zoom meetings held for all staff
 - *Tuesdays at 2...certificated
 - *Wednesdays at 9...classified
 - *Monthly scheduled meetings with employee representatives
4. Compliance check
 - *Documentation of employee trainings
 - *Documentation of daily campus visitation/screening checklist
 - *Monitoring of appropriate protocols for physical distancing, masking and hand washing
5. Response Team training
 - *Designated room for isolation purposes
 - *Assess symptoms...send home as needed...follow-up with healthcare provider
 - *Alert TC Public Health, TSCOS of suspected COVID-19
 - *Follow-up regarding COVID-19 illness and quarantine guidelines
