

## **Local Control Accountability Plan (LCAP)Feedback**

Curtis Creek School District is committed to engaging all stakeholders in the process of establishing our Local Control and Accountability Plan. Only when we build strong relationships with our staff, students, families and community members can we make the changes we need to reach every student.

In order to ensure that we capture the voice of all of our stakeholders, we are requesting your participation in a brief survey to help us determine how effective CCSD is in achieving its LCAP goals

This survey should take less than 10 minutes to complete. All information you provide will be anonymous and individual responses will be kept confidential unless you choose to add your name. It will only be viewed by authorized personnel for use in the evaluation of the District's progress in achieving our LCAP goals. The survey will be available 24 hours a day, 7 days a week from April 1<sup>st</sup> through April 30<sup>th</sup>, 2018.

A light breakfast will be served for the first 50 who attend. Spanish translation services will be provided.
